

## BYA Scholar Program

**Academic Achievement is important to BYA, therefore we would like to recognize participants for this well-deserved achievement.**

### **To be considered a BYA Scholar:**

- Grades 1-12 (Public, Private or Home School)
- Have a 90 or above average on their most recent report card.
- Current BYA Participant

### **To participate:**

Email a copy of your child's most recent report card to [heather@bya.org](mailto:heather@bya.org). (Do not reply to this email) Or Mail a copy (*it will not be returned to you*) to Heather Confessore, BYA Secretary, 550 NW Summercrest Blvd. #101, Burleson, TX 76028. **\*\*When providing the first report card, you must include the BYA Scholar First Time Submission Form\*\*** so that we can get your child's certificate and decal mailed to you. Unless your contact information changes there is no need to include the form with each new report card for your child. **The First Time Submission Form can be found at <http://bya.org/bya-scholars/>**

### **Recognition:**

Your child will be recognized by BYA, in the Burleson Star and on our website. For the first recognition, each child in the program will receive a certificate of achievement and a vehicle window decal.

If your child maintains the 90 or above average each reporting period throughout the year their level of recognition will be as follows:

Three consecutive 90 or above average reporting periods will result in a certificate noting them as a **Silver BYA Scholar**, with a new decal including the level.

Six consecutive 90 or above average reporting periods will result in a certificate noting them as a **Gold BYA Scholar**, with a new decal including the level.

After two consecutive years of a 90 or above average on each report card, they will receive a certificate noting them as a **Platinum BYA Scholar** and a new decal including the level.

### **Questions:**

**What if my child's current average is below 90 on his or her current report card, but they want to be considered for the recognition?** If the sport that they are currently enrolled in is still on-going when the next report card is received and the 90 or above average has been reached, they will be considered a scholar at that time.

**What if my child doesn't participate in year round sports with BYA?** When you register them again for their favorite sport, provide the copies of the report cards from the time they last participated until now.

**What if my child attends the Academy of Nola Dunn?** We have been provided a conversion chart to allow us to calculate the grade average for the students at the Academy.

**Additional Questions?** Contact Heather Confessore, BYA Secretary at [heather@bya.org](mailto:heather@bya.org)
