Burleson Youth Association (BYA) Softball Rules

Introduction & Summary

Welcome to Burleson Youth Association (BYA) Softball! Our league follows a combination of BYA's established rules and USA Softball Fastpitch Youth rules to create a safe, fair, and fun environment for all players. While most rules align with national standards, some have been adapted to best fit our league's structure and player development goals. It's important to remember that rules may vary when playing outside of BYA. This rulebook outlines everything from batting and pitching to time limits and base running, ensuring consistency across all age divisions. By following these guidelines, we promote good sportsmanship, skill growth, and a love for the game.

Team Management

Coaches Selection

1. Returning Coaches Get Priority

- Coaches who return to the same age division from the previous **season** will get a team **before** new coaches or those moving to a different division.
- After that, coaches from the previous **spring season** will be assigned teams **before** those who did not coach softball or baseball that season.
- Any remaining coaching spots will be filled at the **VP of Softball's discretion**, prioritizing those with experience in baseball or softball.

2. Parent Complaints and Coaching Eligibility

- If a coach has a pattern of **six or more parent complaints per season** (not based on player requests), the **VP of Softball** has the right to **deny them a team**, even if they are a returning coach.

3. Rule Violations and Code of Conduct

- Any coach who **violates league rules or the Code of Conduct** may lose their coaching position.
- This decision will be made at the **sole discretion of the Softball**

Burleson Youth Association (BYA) Softball Rules

Committee and is final.

Player Evaluations

1. No Player Evaluations

- There will be **no player evaluations** for the **Spring or Fall seasons**.

2. Pitcher & Catcher Evaluations (Spring Only)

- **Pitchers and catchers** will have the option to attend a special evaluation during the **Spring season**.
 - If a player **attends this evaluation, they cannot be frozen** to a team.
-

Draft Rules

1. Draft Oversight

- The **Vice President of Softball** or a designated representative will oversee the draft process.
- Each team will have a **representative** responsible for making player selections.

2. Team & Draft Order

- There will be **no returning teams** in any age division.
- Draft order will be determined by a **drawing** at the draft site.
- The draft will follow a **snake format** (Round 1: Picks 1-10, Round 2: Picks 10-1, and so on).
- There will be **no hat draw**.

3. Player & Team Requests

- **Ride shares (including cousins, nieces, nephews, etc.) will NOT be allowed**, unless prior approval is obtained from:
 - The **Board of Directors (by committee vote)**.
 - OR a **unanimous vote from all head coaches** in the division where the request was made.
- Unless there are only **two teams** in a division, each player may list **one coach they do NOT want to play for** on their sign-up form.

Burleson Youth Association (BYA) Softball Rules

- The coach **may not draft that player.**
- A **reason must be provided** for this request.

4. Age Cutoffs & Player Placement

- **Fall league age divisions** will be based on the upcoming **Spring season's age cutoffs.**
 - Example: **Fall 2025** will use the **Spring 2026** age chart.
 - USA Softball's age chart runs from **September 1st – August 31st.**
- Parents who want their child to **play down** in the fall must **email the VP of Softball for approval **not a guarantee**.**
 - The final decision will be made by the **Softball Committee.**
- **Fall Grapefruit Cutoff:** A player's age for the **Fall season** will be determined by their age on **April 30th of the upcoming Spring season.**
 - Example: **Fall 2025 teams** will be based on **April 30, 2026, ages.**

5. Draft Exceptions

- If a team is **drafted without a head coach**, no trades will be allowed with that team.

Exemption Rules

1. Number of Exemptions

- Each team is allowed to **exempt up to 5 players.**

2. Coach's Child Rule

- If a **head coach** has a child playing in the division they are coaching, that child **must** be one of the **5 exemptions.**
- If **assistant coaches** are chosen **before the draft**, their children **must also be listed as exemptions.**

3. Submitting Exemptions

- All exemptions **must be submitted in writing**, signed the **player's parent/guardian** before the league's draft.
- A **physical copy of the exemption list must be brought to the draft.** If

Burleson Youth Association (BYA) Softball Rules

this is not done, the exemption **will not be honored**.

4. Drafting Exempted Players

- Exemptions **must be used as a coach's first pick** in the age bracket the exemption is rated for.

5. Sibling Rule

- Head coaches **must** draft sisters together unless the parent requests a waiver.
- **If one sister is an exemption, both must be exemptions.**
- Under no circumstances can a coach exceed the **5-player exemption limit** for their team.

Late Registration & Player Replacement Rule

If a player is registered late within the first week after the draft or a team permanently loses a player, the following steps will be taken to ensure fair team placement:

1. Team Assignment for Late Registrations

- The player will be placed on the team with the fewest players to maintain balanced rosters.
- If multiple teams have the same number of players, the player will be assigned based on the next team in the original snake draft order.
- If a player has officially withdrawn from the program, a late-registered player may be assigned as a replacement for that team.

2. Replacing a Permanently Lost Player

- The head coach must immediately notify the VP of Softball.
- If a waiting list exists, the replacement player must be selected from that list.
- If no players are on the waiting list, no new player can be added until an application is submitted, and the player is placed on the waiting list.

All late registrations and player replacements must be approved by the VP of Softball.

Burleson Youth Association (BYA) Softball Rules

After the first week post-draft, no additional players will be added unless approved by the VP of Softball.

New Head Coaches After the Draft

If a **new head coach** joins the league **after the draft** and their child was already drafted to another team, they may **request to have their child moved** to their team under these conditions:

- **The child's current team already has a head coach.**
 - **The new head coach must trade** an equally aged player to the team their child is leaving.
 - **The new head coach must notify the VP of Softball** before making any changes.
-
