If time has expired, finish the inning. If score is tied, you will play until there is a winner using this format:

- **CALIFORNIA TIE-BREAKER:**
 - Each half inning will start with last 2 batters on 2nd and 3rd bases and one (1) out. Hitters will come to the plate with a no ball – no strike count.
 - Each team will continue the batting order from the previous inning, with the two (2) previous batters occupying the bases, with the last batter occupying 2nd base and the next to last batter occupying 3rd base.
 - The game will continue until a winner is determined.

- **Example:**

The game ends in a 3-3 tie. The visiting team determines the # 4 batter is due up. The team will put the # 3 batter on second base, and the # 2 batter on third base. Repeat process for the home team in the bottom half of the inning.
